

Melkite Catholic Patriarchate School - Beit Sahour
List of Needy Students 2022/2023

We at our Melkite Catholic Patriarchate School concerned to support and help students who are in need, we are doing our best to keep the Christian families stay living in the Holy Land specially because of the difficult economic situation that we face for many reasons such as:

Parents find it difficult to go to Jerusalem to work without permits.

It's a burden upon parents to pay for their children's fees if they have more than two children.

We are doing our best to raise the number of Christian students in our school and keep them in our Holy Land. Your support can greatly help us in achieving our target as well as strengthening their faith and existence in this Holy.

Your financial support to the needy students to pay fees helps parents to spend their limited budgets on other essential needs.

We are doing our best to provide effective learning and healthy environment for students and teachers through following uptodate methods of teaching using technological ways.

We are making our efforts to help teachers keep up with the new strategies and modern methods of teaching by providing constant workshops and training for all teachers.

We are really concerned with upbringing our children on Jesus' teachings and helping them live the Christian peaceful life.
