

Greek Catholic Patriarchate School - Beit Sahour
List of Needy Students 2020/2021

Why we are concerned with certain students who are in a need. We in the Holy Land, are facing a very difficult economic situation because of certain reasons, for example:

1- It's difficult for parents to move to Jerusalem or other places to work.

2- The number of some students' siblings which makes it difficult for parents to pay the fees of them especially that some parents who work in certain professions like tourism are not working because of the Corona Virus and this has led to the rise of unemployment.

We are concerned to keep as many Christian students as possible in our school and in our Holy Land.

Through your help to them, we can boost their faith and their Christian existence here. In fact your support is and will be of great and vital importance for such these faithful students.

During these hard times of the Covid-19 pandemic, our school's financial hardships have increased. This is due to the limited number of donors and the very difficult situations that most of the parents in the area are living in. Not to mention the increase of Covid-19 cases among the families of our students, which has led to their parents being stopped from work.

Beit Sahour went through a major crisis because its main means of income is tourism. Many parents had to transfer their children to other public not Christian schools because the tuition fees were too much to handle during these times.

Accordingly, our school offers both face-to-face education and online education for our students. This means that we have to double the efforts in order to provide an excellent and efficient education to the students, and to be able to monitor it.

Our school with its teachers are facing challenges in making great efforts so as to provide healthy atmosphere for students and meet the educational needs as much as possible through the restrictions which are imposed on the school and the students as well.

However, we insist on keeping our children in our school and to be raised upon Jesus' teachings, words, light, and life.
